ACTIVITIES & ATTRACTIONS

Treat your guests or delegates with a visit to the National Aquarium of New Zealand and discover an exciting world above and below the water.

Visit Penguin Cove and watch the famous Little Penguins feed and play. Walk through the amazing nocturnal enclosure to see New Zealand's icon, the Kiwi and see if you can spot a Tuatara. See sharks, stingrays and fish swimming over you in the 1.5 million litre oceanarium tunnel.

For additional entertainment and education, catch one of our keeper talks or diving displays.

Close encounters are also available with our Little Penguins where you'll experience what goes on behind the scenes, learn about the rescue and rehabilitation of these amazing birds and even get the chance to feed them.

Consider the National Aquarium of New Zealand as a unique and exciting part of your next visit to Napier. We'd be delighted to work with you.
