Hawke's Bay is New Zealand's second largest wine region, with the largest premium red wine production in the country. Most of the national wine brands have a presence here, but we also have many truly boutique small wineries offering an artisan experience and award-winning wines.

Hawke's Bay is a unique region in the wine-producing world with many varieties grown here successfully, due to the complement of diverse vineyard sites available to our grape growers.

Syrah is produced in a classic European style and described as dark, weighty, intensely varietal with plum, fresh raspberry and black pepper flavours.

Chardonnay produced here is consistently classified as New Zealand's leading examples and some of the finest flavoured, complex and textural Chardonnays in the world, with distinctive flavours of citrus and ripe stone fruit.

Merlot Cabernet wines are described as having luscious ripe fruit flavours that acquire complex structure and elegance with age.

Sauvignon Blanc retains the freshness typical of New Zealand Sauvignon Blanc while exhibiting a rounder, more floral expression with ripe tropical fruit flavours.

Other exciting wines to look out for in Hawke's Bay:

- Pinot Gris
- Pinot Noir
- Gewürztraminer
