

* TRAVEL IN STYLE FROM LUXURY PRIVATE VEHICLES TO PREMIUM COACHES

With beautiful blue skies, fertile soils, high sunshine hours and a moderate maritime climate, Hawke's Bay is the perfect playground for foodies and outdoor adventurers alike.

Black Rose creates intimate small group tours, private tours and provides transfers in luxury vehicles with expert staff dedicated to delivering superior levels of service and exceeding client expectations.

Travelling with Black Rose can afford you and your clients' unfettered access to the authentic heart and essence of Hawke's Bay with individualised experiences that provide greater depth and context to your visit. Perhaps a private wine tasting from the cellars of some of the country's finest winemakers. Maybe a professional fishing guide to introduce you to some of New Zealand's best trout rivers. A private visit to one of Hawke's Bay's historic homesteads with lunch and a guided tour with the owners. Or simply a personalised behind-the-scenes tour of Napier's famous Art Deco architecture. These are just a few examples of how Black Rose can take you to the heart of this sun-drenched region.

One of the best interactive experiences for visitors on a tight schedule is a Black Rose Gastronomic Discovery which showcases some of the fabulous local food and wine produced in the region. On this evening progressive dinner you and your guests are whisked away in one of the Black Rose elite fleet to sample the bounty of Hawke's Bay at three of the regions' finest restaurants. Add to this a selection of Hawke's Bay wines matched to dishes at each restaurant plus breath-taking views from the top of legendary Te Mata Peak and you have an evening to savour. Time spent in Hawke's Bay is limited and therefore precious, so why not combine an activity with the very best dining experience available in the region.
