SET TO IMPRESS

Coming to Hawke's Bay for your next conference or event?

Then what better way to surprise and delight your guests than with a convoy of beautifully restored vehicles straight out of the decadent era that our stunning region is known for.

There is nothing more impressive than a convoy of magnificent vintage cars to carry your guests to their destination. We can provide multiple cars for airport transfers; transportation to restaurants and wineries; city tours and more.

Each chauffeur has an extensive knowledge of the local area and are more than happy to share stories of it's history, along with all the best bits about Hawke's Bay.

WINE AND DINE

Hawke's Bay is the oldest wine region in New Zealand and the second largest, with an abundance of fantastic wineries to choose from and we can tailor-make a tour to suit your time frame and budget. Our winery tours start with a two hour winery taster and go right up to a full day of tasting some of Hawke's Bay's finest wines and exquisite cuisine in a variety of stunning settings.

Do not hesitate to contact us so that we can tailor your vintage car experience to meet your needs.
