

Hawke's Bay Wine & Food Map

Hawke's Bay is a unique region in the wine-producing world with many varieties grown here successfully, due to the complement of diverse vineyard sites available to our grape growers.

Syrah is produced in a classic European style and described as dark, weighty, intensely varietal with plum, fresh raspberry and black pepper flavours. Merlot Cabernet wines are described as having luscious ripe fruit flavours that acquire complex structure and elegance with age.

Chardonnay produced here is consistently classified as New Zealand's leading examples and some of the finest flavoured, complex and textural Chardonnays in the world, with distinctive flavours of citrus and ripe stone fruit.

Sauvignon Blanc retains the freshness typical of New Zealand Sauvignon Blanc while exhibiting a rounder, more floral expression with ripe tropical fruit flavours.
