VENUES & ACCOMMODATION

Three rooms combine to make the Gatsby Rooms function space. The Art Deco interior is impressive and has previously won the Art Deco Trust Supreme Award for refurbishment.

Located on Marine Parade, the rooms enjoy a view over the Napier Soundshell and the Pacific Ocean. An abundance of natural light helps to enhance The Gatsby Rooms making it the perfect setting for any occasion.

The Gatsby Landing is an ideal space for a conference, training or dinner. This room flows out into two additional areas which can be used as breakout or catering spaces. The Gatsby Boardroom is a beautiful space ideal for a business meeting, breakout room or intimate dinner. Hiring of this room also includes the use of The Gatsby Bar for a catering station or pre-dinner drinks area. As its name suggests, The Gatsby Bar is perfect for a cocktail party or social get together.
